MESSAGE FROM THE DIRECTOR (ACADEMICS)

Ramaiah College of Law, established in 1995, has been endeavouring to reach heights in quality legal education. It focuses on developing advocacy skills in students besides enabling them to be thorough of the subject so as to be well equipped for the legal profession or accept positions in the various avenues open to law graduates. We emphasize on inculcating in our students social, moral, religious and ethical values which are paramount in maintaining professionalism.

Today, Ramaiah College of Law has an intensive integrated five year B.A., LL.B, B.B.A., LL.B and B.Com, LL.B Course. Besides, we have Certificate Courses in Human Rights Law, Information Law and Law and Medicine. We believe that knowledge of a subject can be acquired through the years but the foundation for professionalism has to be laid during the course of their five years of study in this esteemed Institution. While reiterating on this aspect, we venture to help them develop their overall personality.

The success of the Institution lies in our team-work with a committed Faculty and dedicated Administrative Staff. This Newsletter provides a platform for the students, who certainly have a potential, to enhance their skills, under the guidance and supervision of able and committed Faculty. Hence, it is a reflection of the achievements of our students and of the academic activities that are organised in a particular Semester.

It is with pride that I present this edition of the Newsletter and I appreciate the Faculty editors for their relentless efforts in this venture.

While I am proud of our students, I wish them all success in their career.

Prof. (Dr.) Rose Varghese [LL.M., M.Phil., Ph.D.]

“Live as if you were to die tomorrow. Learn as if you were to live forever.”

- Mahatma Gandhi

Real education enhances the dignity of a human being and increases his or her self-respect. If only the real sense of education could be realized by each individual and carried forward in every field of human activity, the world will be so much a better place to live in.

- A. P. J. Abdul Kalam

“Do not train a child to learn by force or harshness; but direct them to it by what amuses their minds, so that you may be better able to discover with accuracy the peculiar bent of the genius of each.”

- Plato
