Dear Sir/ Madam,

**Sub: "Crèche facility for children of GEF staff"**

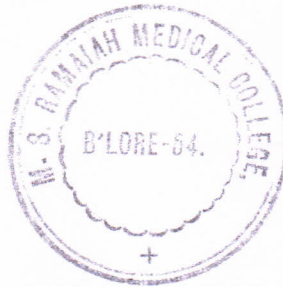

We are proud to announce that our institution had received the best institution award for celebration of world breastfeeding week 2007 from Breastfeeding Promotion Network of India (BPNI). In continuation with cause for mothers and children, we are happy to inform you that a 'Crèche' is being commissioned at our campus. This facility has been a child of an intensive study that was undertaken in our Jnana Gangotri campus by Dr.Dayananda M, Dr.Farah and Dr.Manjunath S N of Department of Community Medicine, MSRMC. Subsequently Dr.Shalini P and Dr.Manjunath S N have developed an action plan to complement the recommendations of the study.

The facility would be located on the first floor of AYUSH Arogyadhama. We suggest you to make the best use of this facility. Please circulate this information amongst your staff. Interested staff of your institution are requested to contact Dr.Shalini S Assistant Professor, Department of Community Medicine, MSRMC for further details (email: drshalini\_pradeep@yahoo.co.in, Ph No: 23600968)

Thanking you and with warm regards

  
(Dr.S.Kumar)  
Principal and Dean
