**NOT ME, BUT YOU**

This camp was inaugurated by our respected Principal, Dr. Omprakash, who guided us all through the preparation and for the successful completion of the camp. It was presided by the great stalwarts D G Rajashekaraiah and Ln Ramesh B.S from Lions Club Bangalore Brigade. Our beloved Prof (Dr) Rose Varghese, Director (Academics), extended constant support towards the successful completion of the camp.

The camp also coincided with the ‘National Doctors Day’ observed every year on July 1 since 1991. The faculty coordinator of NSS, RCL, members of Dheerya Foundation, Lions Club Bangalore Brigade and Lions Club Blood Bank and student volunteers joined together to commemorate the hardships and problems which Doctors face every day in their pursuit to cater to the needs of the patients and thank all the wonderful Doctors who have strived hard to maintain the existence of human life.

The students of Ramaiah College of Law were highly enthusiastic and actively participated in this event. Students from sister institutions of the Gokula Education Foundation extended their full support to this noble cause, making it even more memorable. We were fortunate enough to collect 125 blood units. The camp was a huge success!
