The college has contributed competent and value-based professionals in the arena of law and this is evident from the fact, that some of its outstanding graduates have excelled in their profession and have also been working in distinguished law firms and companies.

## ABOUT LAWASIA

LAWASIA is an international organization of lawyers' associations, individual lawyers, judges, legal academics, and others, specializing in the interests and concerns of the legal profession in the Asia Pacific region. Founded in 1966, LAWASIA has established an enviable reputation among lawyers, business people, and governments, both inside and outside the region, for being a dedicated, effective, and truly representative organization. Across the globe, law schools continue to incorporate mooting into their curriculum and use International Moot Competitions as a forum for the development of friendships and skills. The LAWASIA International Moots have attracted participation from over 1,500 students.

## MOOT COURT COMMITTEE OF RAMAIAH

The Ramaiah College of Law Moot Court Committee works to foster a vibrant and dynamic mooting culture in the College by upholding high standards of excellence in the field of mooting. We facilitate, regulate and foster the mooting and allied activities of the College in a just and fair manner to mould and sharpen the oral advocacy, research and legal drafting skills of the students. The committee works closely with the students to aid them in becoming excellent mooters and thereby, professionally competent and socially-committed lawyers.

## ABOUT THE COMPETITION

Witnessing the success of hosting the 18<sup>th</sup> LAWASIA International Moot Competition 2023, Ramaiah College of Law is providing a global platform to Indian students by organizing the first-ever edition of India National Rounds of the 19<sup>th</sup> LAWASIA International Moot Competition. LAWASIA International Moot Competition continues to bring mooting into the curriculum of law schools throughout the world and to serve as a platform for friendships to be forged. It has indeed been an enjoyable journey. Over 1,500 students have taken part in the LAWASIA International Moots. There has been a notable shift in awareness among law schools regarding the pivotal role that mooting plays, and many institutions now recognize its fundamental importance. This change in perception is crucial, as neglecting the significance of mooting hinders our collective efforts to elevate the standards of our lawyers, essential for meeting the demands of a globalized world. Mooting serves as a dynamic and indispensable component of legal education, offering students a unique opportunity to bridge the gap between theoretical knowledge and practical application. By participating in moot competitions, students engage in simulated legal scenarios, honing their advocacy skills, legal research acumen, and critical thinking abilities. This hands-on experience not only deepens their understanding of legal principles but also cultivates essential skills that are vital for success in the legal profession.

This year, we welcome you to participate in the India National Rounds of LAWASIA International Moot Competition from 21<sup>st</sup> June to 23<sup>rd</sup> June 2024 at Ramaiah College of Law, Bangalore. The top two teams from the India National Rounds will represent India in the international rounds together with the host institution, Ramaiah College of Law.
